1.1 "**Assets**" has the meaning set forth in Section 2.1.

1.2 "**Copyrights**" means (i) any copyright in any original works of authorship fixed in any tangible medium of expression as set forth in 17 U.S.C. Section 101 et seq., whether registered or unregistered, including any applications for registration thereof, (ii) any corresponding foreign copyrights under the laws of any jurisdiction, in each case, whether registered or unregistered, and any applications for registration thereof, and (iii) moral rights under the laws of any jurisdiction.

1.3 "**Holdback Amount**" means common stock of the Buyer valued at 10% of the Purchase Price.

1.4 "**Intellectual Property**" means any and all: (i) Copyrights; (ii) inventions, invention disclosures, trade secrets, proprietary information and know-how; (iii) Patents and Patent applications; and (iv) all right, title and interest in and to any and all causes of action and rights of recovery for past infringement, or misappropriation, relating to any of the foregoing; in each case relating to the Product.

1.5 "**Patents**" means patent applications and patents, and all divisions, continuations, continuations-in-part, and substitutions thereof; all foreign patent applications corresponding to the preceding applications; and all U.S. and foreign patents issuing on any of the preceding applications, including extensions, reissues, and re-examinations.

1.6 "**Product**" has the meaning set forth in Section 2.1.

1.7 "**Purchase Price**" means common stock of Buyer valued at \$9,000,000.00 based on the average of the closing price of such common stock as posted by the Nasdaq National Market System for the ten (10) trading days ending on the date immediately prior to the date hereof.

1.8 **"Registered Intellectual Property"** means all United States, international and foreign: (i) Patents, including applications therefor; (ii) Copyrights registrations and applications to register Copyrights; and (iii) any other application, certificate, filing, registration or other document issued by, filed with, or recorded by, any state, government or other public or private legal authority at any time; in each case relating to the Product.

1.9 **"Software License Agreement"** means the Software License Agreement dated the date hereof between Buyer and Seller.

2. PURCHASE AND SALE

2.1 **Purchase and Sale.** As of the Effective Date, Buyer hereby purchases and acquires from Seller, and Seller hereby sells, transfers, assigns and delivers to Buyer, all right, title and interest of Seller in and to the following assets (the "Assets") free and clear of all liens, mortgages, claims, security interests or encumbrances:

(a) the computer programs described on Schedule A (including all current and prior versions thereof) (the "Products"), and intellectual property rights therein, and all copies thereof in whatever form or medium owned by Seller and as described in Section 2.6); and

(b) the assets described on Schedule A, and all intellectual property rights therein.

2.2 **Liabilities.** Buyer will not be obligated to assume, pay or perform any of the liabilities or obligations of Seller, all such liabilities and obligations (collectively, the "Excluded Liabilities") will remain the responsibilities of Seller.

2.3 **Purchase Price.** Upon successful delivery of all items set forth in Section 2.6, (A) Buyer shall deliver to Seller (i) an aggregate number of shares of common stock of Buyer equal to (1) the Purchase Price less (2) the Holdback Amount and (ii) the executed Software License Agreement and (B) Seller shall deliver the Holdback Amount to the Escrow Agent (as such term is defined in the Escrow Agreement, dated as of the date hereof, among Buyer, Seller and U.S. Bank Trust, N.A. (the "Escrow Agreement")).

2.4 **No Inventory.** Seller hereby certifies to Buyer that it has destroyed all inventories of the Products, including any documentation, owned or possessed by it, except as permitted by the Software License Agreement. Notwithstanding the foregoing, David Scult may retain one (1) copy of the Products for six (6) months after the Effective Date solely to (a) provide access to Buyer, upon Buyer's reasonable request, for purpose of verification of the completeness of the Assets, and the provision of any missing portions to Buyer, and (b) to support those entities that were customers of Radnet, Inc. prior to the Effective Date. After such six (6) month period, David Scult shall delete or destroy his copy of the Products. Seller agrees that David Scult will abide by the provisions of the foregoing two sentences and the confidentiality provisions set forth in Section 3 herein, and agree to them in writing.

2.5 **Transfer Taxes.** Seller shall be liable for and pay all applicable sales, documentary, recording, filing, transfer, income and other taxes payable as a result of the consummation of the transactions contemplated by this Agreement.

2.6 **Delivery.** On or before the Effective Date, Seller shall deliver to Buyer:

(a) One copy of all versions of each Product and all materials in Seller's source control system for such products in a file format compatible with Microsoft Visual Source Safe software;

(b) All copies in Seller's possession of all technical and user documentation and specifications in the possession or under the control of Seller, along with all copies thereof in the possession of any agents or contractors relating to any version of the Product;

(c) One copy, in electronic form (ASCII comma delimited format) of the list of all licenses of the Products as of the Effective Date as well as contact information, status and pricing information regarding such users;

(e) One copy, in electronic format, of any benchmark tests or similar reports concerning the Products;

(f) One copy of the report on internationalization described in Schedule A; and

(g) Executed copies of the patent application assignments attached on Schedules B-1, B-2 and B-3.

2.7 **Further Assurances.** Seller agrees that it shall, at Buyer's request and expense, take such further actions as are reasonably necessary to effect transfer of title of the Assets to Buyer, including filing UCC cancellation statements in the appropriate states and localities with respect to the Assets and notices of cancellation of liens with the Patent and Trademark Office.

2.8 **Electronic Delivery.** To the extent practicable, all items in Section 2.6(a) through 2.6(f) shall be delivered to Buyer electronically.

2.9 **Asset Sale Records.** Warburg and Seller shall retain all records regarding their attempts to sell the Assets until four (4) years after the Effective Date.

3. **CONFIDENTIALITY**

3.1 **"Confidential Information"** means any information relating to the Assets, the Products, and any other information disclosed by Buyer to Seller pursuant to this

Agreement, or owned by Buyer (including the information included in the Assets transferred to Buyer pursuant to this Agreement) but held by or in the possession of Seller; provided, however, that Seller may disclose the existence of this Agreement, but not the terms thereof.

3.2 **Non-Disclosure and Non-Use.** Seller shall treat as confidential all Confidential Information, shall not use such Confidential Information except as set forth in this Agreement and the Software License Agreement, and shall not disclose such Confidential Information to any third party. Without limiting the foregoing, Seller shall use at least the same degree of care which it uses to prevent the disclosure of its own confidential information of like importance to prevent the disclosure of Confidential Information; provided, however, that in no event shall such degree of care be less than reasonable in light of general industry practice.

3.3 **Exclusions.** Notwithstanding anything to the contrary in this Section 3, Seller will not have liability to Buyer with regard to any Confidential Information that:

(i) was in the public domain on the date of this Agreement, or becomes in the public domain after the date of this Agreement through no act or failure to act of Seller;

(ii) was known to Seller without restriction at the time of disclosure as shown by the files of Seller in existence at the time of disclosure to Seller;

(iii) becomes known to Seller without restriction from a source other than Buyer without restriction on disclosure;

(iv) required to be disclosed to any court or governmental authority through the use of oral questions, interrogatories, requests for information or subpoena, civil investigative demand or similar process;

(v) is disclosed with the prior written approval of Buyer; or

(vi) is disclosed to prospective assignees of the Software License Agreement who agree to remain bound by the terms of this Section 3 provided that Source Code (as defined in the Software License Agreement) shall not be disclosed to a prospective assignee.

3.4 **Unauthorized Access.** Seller shall notify Buyer promptly in writing of the existence of any circumstances surrounding unauthorized access, disclosure, distribution, possession, alteration, transfer, reproduction or use of the Confidential Information or any portion thereof.

4. REPRESENTATIONS AND WARRANTIES

4.1 **Of Seller and Warburg.** Seller and Warburg hereby represent and warrant to Buyer as follows:

(a) **Organization and Existence.** Seller is a limited liability company, duly formed, validly existing and in good standing under the laws of the State of Delaware, and has all limited liability company power and authority necessary to enable it to

own, lease or otherwise hold its properties and assets and to carry on its business as now conducted.

(b) **Authorization.** This Agreement has been duly authorized, executed and delivered by Seller and constitutes a valid and binding obligation of Seller enforceable against Seller in accordance with its terms.

(c) **Governmental Authorization.** The execution, delivery and performance of this Agreement by Seller, and the consummation of the transactions contemplated hereby by Seller, does not and will not require any consent, approval or action by or in respect of, or any declaration, filing or registration with, any governmental authority, other than the appropriate UCC 3 filings made by Seller.

(d) **Non-Contravention.** The execution, delivery and performance of this Agreement by Seller, and the consummation of the transactions contemplated hereby by Seller, does not and will not: (i) contravene or conflict with the certificate of formation or operating agreement of Seller; (ii) contravene or conflict with or constitute a violation of any law, rule, regulation, judgment, injunction, order or decree binding upon or applicable to the Assets or Seller; or (iii) require any consent, approval or other action by any person not previously given.

(e) **No Liens.** Other than as provided in the Software License Agreement and in the agreements set forth on Schedules C and D hereto, Seller owns all right, title and interest in the Assets, the Products, and the intellectual property rights relating to the Products free and clear of any liens, mortgages, claims, security interests or encumbrances.

(f) **No Transfer.** Subject to Section 4.1(h), Seller has not transferred, and shall not prior to the Effective Date, transfer ownership of any intellectual property in or to the Products to any third party.

(g) **No Payments.** Subject to Section 4.1(q), the transfer of the Assets will not require (i) Seller to make any payment of any kind to any third party for which Buyer shall be responsible, or (ii) to Seller's knowledge, any payment by Buyer to a third party.

(h) **License Agreements.** Schedule C lists all agreements in which the Products, the Assets, or any rights therein have been licensed to any third party.

(i) **Registered Intellectual Property.** Schedule D lists all Registered Intellectual Property owned by, or filed in the name of, Seller.

(j) **Loss of Rights.** The consummation of the transactions contemplated by this Agreement will not result in the loss of, or otherwise adversely affect, any ownership rights of Seller in the Assets or result in the breach or termination of any license, contract or agreement to which Seller is a party respecting the Products, or give rise to any right of termination, cancellation or acceleration of any right or obligation of Seller, except for Seller's license agreements with International Business Machines and Verity, which are not assignable without consent of the licensees.

(k) **No Unfair Competition.** The modification, sale, distribution, and use of the Products does not, and will not violate the rights of any person, or constitute unfair competition or trade practices under the laws of any jurisdiction, and Seller has not received notice from any person claiming that such operation or any act, product, technology or service (including products, technology or services currently under development) constitutes unfair competition or trade practices under the laws of any jurisdiction (nor is Seller aware of any basis therefor).

(l) **No Infringement.** The use, manufacture or sale of the Products does not, and will not, infringe or misappropriate the intellectual property rights of any third party.

(m) **No Infringement by Third Parties.** To the knowledge of Seller, no person is infringing or misappropriating any intellectual property rights in or to the Products.

(n) **No Outstanding Orders.** No Intellectual Property is subject to any proceeding or outstanding decree, order, judgment, agreement or stipulation that restricts in any manner the use, transfer or licensing thereof by Seller or may affect the validity, use or enforceability of such Intellectual Property.

(o) **No Invalidity.** Seller has no knowledge of any fact or circumstance that would render any portion of the Intellectual Property invalid or unenforceable. Without limiting the above, Seller knows of no information, materials or facts, including any prior art, that would render any of Registered Intellectual Property invalid or unenforceable, or would adversely effect any pending application for any Registered Intellectual Property. To the knowledge of Seller, Seller has not failed to disclose or disclosed any fact or circumstance in any Patent application of Seller that would constitute "fraud on the Patent Office" or that would otherwise effect the validity or enforceability of any Patent issuing from such application.

(p) **Litigation; Proceedings.** There is no action, suit or proceeding (or any basis therefor) pending or, to the knowledge of Seller, threatened, or to the knowledge of Seller any investigation pending, against or affecting the Assets, the Products, and the intellectual property rights relating to the Products.

(q) **Brokers.** No broker, agent, finder or investment banker is entitled to any brokerage, finders or other fee or commission from Buyer in connection with this Agreement based upon arrangements made by Seller or any affiliate thereof.

(r) **Year 2000 Compliance.** Seller warrants that the Products are year 2000 compliant. Year 2000 compliant means that a Product, when used in accordance with its operating instructions, will accurately process, display, provide and receive date/time data (including leap year calculations) within and between the 20th and 21st centuries. When used in combination with other products as a system, each Product will correctly process date/time data if the other components used with the Products properly exchange date/time data with it. For any date element represented without the century (i.e., two-digit year dates), the correct century will be unambiguous for all manipulations involving that element.

(s) **No bankruptcy proceedings.** None of the Assets transferred hereby are owned by an entity that is the subject of a bankruptcy proceeding under Title 11 of the United States Code.

(t) **Lien Prior to Acquisition.** Prior to Seller's acquisition of the Assets, Seller had a valid, first priority lien to the Assets.

4.2 **Of Buyer.** Buyer hereby represents and warrants to Seller as follows:

(a) **Organization and Existence.** Buyer is a corporation duly incorporated, validly existing and in good standing under the laws of the State of Delaware and has all corporate power and authority necessary to enable it to own, lease or otherwise hold its properties and assets and to carry on its business as now conducted.

(b) **Corporate Authorization.** This Agreement has been duly authorized, executed and delivered by Buyer and constitutes a valid and binding obligation of Buyer, enforceable against Buyer in accordance with its terms.

(c) **Brokers.** No broker, agent, finder or investment banker is entitled to any brokerage, finders or other fee or commission in connection with this Agreement based upon arrangements made by Buyer or any affiliate thereof.

(d) **Shares.** All such shares issued hereby by Buyer have been duly authorized, validly issued and are fully paid and nonassessable.

4.3 **No Warranties.** EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION 4, EACH PARTY HEREBY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION THE IMPLIED WARRANTIES OF TITLE, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT.

5. COVENANTS OF SELLER

5.1 **Discharge of Liabilities.** Seller shall continue to pay or be responsible for all of the Excluded Liabilities.

5.2 **Indemnification.** Seller shall, at its own expense, and subject to the provisions of Section 5.3 below, indemnify and hold Buyer (and its officers, employees and agents) harmless from any and all costs, claims, damages, liabilities or losses (including reasonable attorney's fees and disbursements reasonably incurred) arising out of any claims by third parties: (a) relating to title to, ownership of, or interest in, any part of the Assets, or the Products; (b) that the Assets, the Products, or use of any of the foregoing, infringe any intellectual property rights of any third party, or (c) any breach of any representation, warranty, covenant or obligation of Seller ("Losses"). If Seller has acknowledged in writing its obligation to indemnify Buyer in respect of such claim which might give rise to a claim for indemnity under this Section 5.2: (i) Seller will have the right to control the defense or settlement of such claim and may select counsel to direct the defense of such claim, which counsel must be reasonably satisfactory to Buyer; (ii) Seller will arrange for such counsel to inform Buyer on a regular basis

of the status of such case; and will (iii) Buyer will have the right to consult (at its own expense) with regard to and participate in, the defense of any such claim or action and negotiations for its settlement or compromise. If Seller has not acknowledged in writing its obligation to indemnify Buyer in respect of such claim which might give rise to a claim for indemnity under this Section 5.2: (x) Buyer will have the right to control the defense or settlement of such claim and may select counsel to direct the defense of such claim, all at the expense of Seller; and (y) Seller may consult (at its own expense) with regard to and participate in, the defense of any such claim or action and negotiations for its settlement or compromise. Seller and Buyer shall cooperate in connection with the defense or settlement of any such claim. No party shall settle any such claim without the prior written consent of the other parties to this Agreement if any relief, other than the payment of money damages, would be granted by such settlement or if any other party to this Agreement would be liable to the third party for all or any portion of such settlement.

5.3 **Escrow Agreement.** The parties agree that Buyer's sole and exclusive remedy for breach of this Agreement shall be limited to the Holdback Amount pursuant to the procedures set forth in the Escrow Agreement, except for claims which arise out of conduct that constitutes fraud. In no event shall damages payable by Warburg (even if arising from fraud) exceed the Purchase Price.

6. MISCELLANEOUS

6.1 **Bulk Sales.** The parties hereto acknowledge that they will not comply with any "bulk sales" or similar laws in connection with this transaction, if any are applicable. Seller hereby agrees to indemnify Buyer for any Losses incurred as a result of non-compliance with these laws.

6.2 **Nonassignment/Binding Agreement.** Neither this Agreement nor any rights under this Agreement may be assigned or otherwise transferred by either party, in whole or in part, whether voluntarily or by operation of law, except in connection with a merger, acquisition, or sale of all or substantially all of such party's assets related to this Agreement. Subject to the foregoing, this Agreement will be binding upon and will inure to the benefit of the parties and their respective successors and assigns.

6.3 **Independent Contractors.** The relationship of the parties under this Agreement is that of independent contractors. Neither party will be deemed to be an employee, agent, partner or legal representative of the other for any purpose and neither will have any right, power or authority to create any obligation or responsibility on behalf of the other.

6.4 **Notices.** Any notice required or permitted under the terms of this Agreement or required by law must be in writing and must be (a) delivered in person, (b) sent by first class registered mail, or air mail, as appropriate, or (c) sent by overnight air courier, in each case properly posted and fully prepaid to the appropriate address set forth in the preamble to this Agreement. Either party may change its address for notice by notice to the other party given in accordance with this Section. Notices will be considered to have been given at the time of actual delivery in person, three (3) business days after deposit in the mail as set forth above, or one (1) day after delivery to an overnight air courier service.

6.5 **Force Majeure.** Neither party will be liable to the other party on account of any loss or damage resulting from any delay or failure to perform all or any part of this Agreement if such delay or failure is caused, in whole or in part, by events, occurrences, or causes beyond the control and without negligence of the parties. Such events, occurrences, or causes will include, without limitation, acts of God, strikes, lockouts, riots, acts of war, earthquake, fire and explosions, but the inability to meet financial obligations is expressly excluded.

6.6 **Waiver.** Any waiver of the provisions of this Agreement or of a party's rights or remedies under this Agreement must be in writing to be effective. Failure, neglect, or delay by a party to enforce the provisions of this Agreement or its rights or remedies at any time, will not be construed as a waiver of such party's rights under this Agreement and will not in any way affect the validity of the whole or any part of this Agreement or prejudice such party's right to take subsequent action. No exercise or enforcement by either party of any right or remedy under this Agreement will preclude the enforcement by such party of any other right or remedy under this Agreement or that such party is entitled by law to enforce.

6.7 **Severability.** If any term, condition, or provision in this Agreement is found to be invalid, unlawful or unenforceable to any extent, the parties shall endeavor in good faith to agree to such amendments that will preserve, as far as possible, the intentions expressed in this Agreement. If the parties fail to agree on such an amendment, such invalid term, condition or provision will be severed from the remaining terms, conditions and provisions, which will continue to be valid and enforceable to the fullest extent permitted by law.

6.8 **Integration.** This Agreement, the Registration Rights Agreement, between Buyer and Seller of even date herewith, Investor Representative Statement and Agreement between Buyer and Seller of even date herewith, the Software License Agreement, any side letters and the Escrow Agreement (including the Attachments and any addenda hereto signed by both parties) contain the entire agreement of the parties with respect to the subject matter of this Agreement and supersedes all previous communications, representations, understandings and agreements, either oral or written, between the parties with respect to said subject matter. No terms, provisions or conditions of any purchase order, acknowledgement or other business form that either party may use in connection with the transactions contemplated by this Agreement will have any effect on the rights, duties or obligations of the parties under, or otherwise modify, this Agreement, regardless of any failure of a receiving party to object to such terms, provisions or conditions. This Agreement may not be amended, except by a writing signed by both parties.

6.9 **Resolution of Conflicts; Arbitration.**

(a) In case of a dispute related to this Agreement, Seller and Buyer shall attempt in good faith to agree upon the rights of the respective parties with respect to each of such claims. If the Seller and Buyer should so agree, a memorandum setting forth such agreement shall be prepared and signed by both parties and shall be furnished to the Escrow Agent pursuant to the Escrow Agreement. The Escrow Agent shall be entitled to rely on any such memorandum and distribute Escrow Shares (as defined in the Escrow Agreement) from the Escrow Fund in accordance with the terms thereof.

(b) If no such agreement can be reached after good faith negotiation, either Buyer or the Seller may demand arbitration of the matter unless the amount of the damage or loss is at issue in pending litigation with a third party, in which event arbitration shall not be commenced until such amount is ascertained or both parties agree to arbitration; and in either such event the matter shall be settled by arbitration conducted by one arbitrator mutually agreeable to Buyer and the Seller. In the event that within thirty (30) days after submission of any dispute to arbitration, Buyer and the Seller cannot mutually agree on one arbitrator, the American Arbitration Association shall select an arbitrator. The arbitrator shall set a limited time period and establish procedures designed to reduce the cost and time for discovery while allowing the parties an opportunity, adequate in the sole judgment of the arbitrator, to discover relevant information from the opposing parties about the subject matter of the dispute. The arbitrator shall rule upon motions to compel or limit discovery and shall have the authority to impose sanctions, including attorneys' fees and costs, to the same extent as a court of competent law or equity, should the arbitrator determine that discovery was sought without substantial justification or that discovery was refused or objected to without substantial justification. The decision of the arbitrator shall be binding and conclusive upon the parties to this Agreement. Such decision shall be written and shall be supported by written findings of fact and conclusions which shall set forth the award, judgment, decree or order awarded by the arbitrator.

6.10 Arbitration Awards. Judgment upon any award rendered by the arbitrator may be entered in any court having jurisdiction. Any such arbitration shall be held in San Francisco County, California under the rules then in effect of the American Arbitration Association. All expenses relating to the arbitration shall be paid, including without limitation, the respective expenses of each party, the fees of the arbitrator and the administrative fee of the American Arbitration Association, by the losing party.

6.11 Governing Law. This Agreement will be interpreted and construed in accordance with the laws of the State of California and the United States of America, without regard to conflict of law principles.

6.12 Counterparts. This Agreement may be executed in counterparts, each of which so executed will be deemed to be an original and such counterparts together will constitute one and the same agreement.
